I have been taking medicine and other drugs, but could find no relief only for a short time. I will recommend Cascarets to my friends as the only thing for indigestion and sour stomach and to keep the bowels in good condition. They are very nice to eat."

SORGHUM TOO

Night Riders Branch Out in Caldwell County

PRINCETON, KY., September 11th.—Not satisfied with trying to control the tobacco industry in Caldwell county, the night riders are branching out and it seems to be their plan to keep the farmers from raising any crops.

Last night Harvey McDowell, an old farmer of this county, received a warning not to make up his sorghum crop under penalty of a visit from the lawless band.

Mr. McDowell formerly raised considerable tobacco, but cut out the crop this year rather than run the risk of having his barn or house burned and being whipped.

Gage marks 3.4 and rising.

APPEARING OLD

Acts as a Bar to Profitable Employment.

You cannot afford to grow old. In these days of strenuous competition it is necessary to maintain, as long as possible, one's youthful appearance.

It is impossible to do this without retaining a luxurious growth of hair.

The presence of Dandruff indicates the presence of a burrowing germ which lives and thrives on the roots of the hair until it causes total baldness.

Newbro's Herpicide is the only known destroyer of this pest, and it is as effective as it is delightful to use.

Herpicide makes an elegant hair dressing as well as Dandruff cure.

Accept no substitute—there is none.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

REPUBLICAN WAVE

Sweeping the South—Georgia Leaders Think State is Doubtful and Urge Vigorous Campaign

New York, September 11th.—Harry Stillman Edwards of Macon, Ga., an intimate friend of President Roosevelt, and Henry Blum, Jr., National Committeeman from the same State, were callers at Republican headquarters today.

Both of these gentlemen expressed the opinion that there was a Republican wave sweeping over some of the Southern States and that a campaign should be made in Georgia especially in the interest of the Republican National ticket.

The conference between Chairman Hitchcock and the special committee which has charge of the West Virginia situation so far as to the efforts to get one of the candidates of the Governorship to withdraw is concerned, which was scheduled to be held yesterday, was postponed until today.
